

# Advanced Benefits Advisors

## *Property and Casualty Insurance*

*Professionally designed programs for your commercial insurance needs*

Through CoWest Insurance Consultants, Advanced Benefits Advisors offers a comprehensive set of commercial insurance products to protect your business. We have the resources to meet a broad spectrum of insurance needs for business owners to cover the complex array of risks you face. We can provide advice in analyzing those risks and recommend an insurance package to assure comprehensive, cost effective protection.

- Property
- General Liability
- Equipment / Inland Marine
- Commercial Auto
- Workers' Compensation
- Umbrella Liability
- Bonds
- Employment Practices Liability
- Employee Benefits Liability

- Comprehensive risk and insurance analysis
- Custom designed protection programs
- Insurance brokerage
- Personalized service
- Claims management

Identifying the proper coverage for your business can be instrumental in effectively managing your risk. Too much coverage for a known risk can result in an ineffective use of your hard-earned dollars. Lack of coverage can end in bankruptcy.

Advanced Benefits Advisors through CoWest Insurance Consultants are dedicated to providing competitive rates and superior customer service.
